

Report on the Proposal for Modification of Official Degree

Denomination:	University Master in Tourism Management and Planning
Mention /Specialisation:	
University:	University of Málaga
Centre:	Faculty of Tourism
Field of Knowledge:	Economy and Entrepreneurial Sciences

The Andalusian Knowledge Agency Direction for Evaluation and Accreditation (AAC-DEVA) has evaluated the modification conducted in the provided Plan of Studies to obtain the aforementioned University Degree, in accordance with the regulation established in article 25 of RD 861/2010, July, 2, which modifies RD 1393/2007, October, 29, and the *Protocol of Evaluation for Verification of Official Degrees* (Bachelor and Master) (REACU).

The evaluation of the modification of the Plan of Studies proposed has been conducted by the Commission for Evaluation of the field of knowledge Economy and Entrepreneurial Sciences.

In accordance with the procedure legally established, the Reports Commission issues a FAVOURABLE evaluation report.

Motivation:

It is requested the update of the reference for the Faculty of Tourism, the update of normative, the contents of subjects to be adapted to the workload of two subjects with an increase of ECTS, the update of the information about staff and infrastructures.

The following modifications have been accepted:

1. Description of the Degree.

Modification 1. Universities and centres where it is provided.

The update of the electronic link includes the updated information concerning the rules for permanence.

2. Justification.

Modification 2. The Degree scientific and professional interest.

The proposal justification for the Plan of studies modification is correct, which is consistent with Annexes attached in the corresponding section on staff, however it is not correct the information of practices.

It is pertinent the updating of the Centre's name, Faculty of Tourism, instead of "University School of Tourism".

4. Students' Access and Admission.

Modification 3. Previous Information Systems.

The new centre's name "Faculty of Tourism" is pertinent.

Modification 4. Support and counselling to students after enrolment. It is updated the composition concerning the Centre's bodies, and the obsolete references have been updated.

Modification 5. Normative for credits transfer and recognition.

The normative included is updated and correct.

5. Educational Planning.

Modification 6. Plan of Studies general description.

- The workload of the compulsory subjects "Quantitative methods applied in Tourism" and " Management skills" is of 6 credits ECTS for each one of them.

Modification 7. Description of Units/Subjects.

It is correct the update of contents and the corresponding evaluation systems, training activities and educational methodologies concerning two of the subjects with a modified workload ("Quantitative methods applied in Tourism" and " Management skills").

6. Academic Staff.

Modification 8. Teaching staff and other human resources.

- The information provided about the academic staff participating in the Master is correct and complete.

7. Material Resources and Services.

Modification 9. External practices agreements, where applicable.

- Evidence provided on enterprises for possible external practices through electronic links.
- The data grid provided offering 35 positions for students of this degree is correct.

Additionally detailed information on the agreements signed for realisation of practices is included, indicating that the Master students' educational needs are granted, the criteria established to obtain a position, both the enterprise and the students' destination proposals, the normative regulating curricular practices, including the link to access to the Faculty of Tourism.

10. Implementation Schedule.

Modification 10. Timeline for implementation.

The schedule update is correct, although its execution depends on the resolution for amendment within the period established.

Modification 11. Procedure for the adaptation to the Degree proposed.

The information update about the adaptation from the subjects of the current Plan of Studies to the new Plan of Studies proposed is correct.

The University shall provide information to students concerning the accepted modifications through the available channels.
